

Small Game Regulations

Licence information and fees can be found on page 13.

Firearms

In an area where there is an open gun season for deer, moose or black bear, if you are the holder of a small game licence you may not possess or use a rifle of greater calibre or projectile power than a .22 calibre rim-fire rifle chambered to .22 short, .22 long or .22 long rifle shells or shells loaded with ball or with shot larger than No. 2 shot (or if using non-toxic shot, you may not use steel shot larger than triple BBB steel shot, or bismuth shot that is larger than double BB bismuth shot), unless you possess a valid licence to hunt deer, moose or black bear as the case may be.

The holder of a small game licence may not use a rifle of greater calibre than .275, except a flintlock or percussion cap muzzle-loading gun, for hunting small game in the counties of Brant, Elgin, Essex, Huron, Lambton, Middlesex, Northumberland, Oxford, Perth and Wellington and the regional municipalities of Chatham/Kent, Durham, the former regional municipalities of Haldimand-Norfolk and Hamilton-Wentworth, Halton, Niagara, Peel, Waterloo and York and the City of Toronto.

Export and Shipping

See General Regulations, page 28, for information on Import, Export and Shipping.

Game and Migratory Bird Regulations

You may hunt and possess wild turkey, pheasant, ruffed grouse, sharp-tailed grouse, spruce grouse, ptarmigan, and Hungarian partridge. Check the tables for bag and possession limits. **You require a special licence to hunt wild turkey in addition to a small game licence** (see pages 29-31).

You may only hunt game birds identified in the tables. In addition, Ontario residents may hunt American crow, brownheaded cowbird, red-winged blackbird, common grackle, starling and house sparrows.

Specially Protected Birds

You must not shoot specially protected birds or interfere with the eggs and nests of game birds and specially protected birds. (See Definitions, page 79 for a list of Specially Protected Wildlife).

Game Bird Hunting Preserves

You may hunt pheasant, northern bobwhite and wild turkey throughout the year on game bird hunting preserves. You must arrange with the owner as to when you can hunt. Ontario residents need a licence to hunt small game when hunting on a preserve.

A non-resident hunter needs either a non-resident's licence to hunt game birds on a game bird hunting preserve or a non-resident's licence to hunt small game.

Information on wild ducks and avian influenza, including information for hunters handling waterfowl, is available from from the Canadian Wildlife Service at www.cws-scf.ec.gc.ca by following the avian influenza link or call 1-800-668-6767.

Migratory Game Birds

(See definition on page 78.)

Migratory game bird seasons are the responsibility of the federal government.

The Migratory Birds Convention Act and its regulations govern hunting of migratory game birds. **It is illegal to hunt migratory birds within 400 m (437 yd.) of where bait has been deposited unless that place has been free of bait for at least seven days.**

When transporting migratory game birds, a fully feathered wing must remain attached until the bird is prepared for immediate consumption.

Migratory Game Bird Licensing

You must have a federal Migratory Game Bird Hunting Permit and a Wildlife Habitat Conservation Stamp, as well as an Ontario licence to hunt small game, in order to hunt migratory game birds. This includes hunting with falconry birds and non-indigenous falconry birds. You may buy a Migratory Game Bird Hunting Permit and Wildlife Habitat Conservation Stamp at most post offices. See page 73 for more information regarding falconry.

More information on migratory game birds is available from:

Canadian Wildlife Service, Environment Canada,
867 Lakeshore Road, Burlington, Ontario L7R 4A6
(905) 336-6410 or www.on.ec.gc.ca/wildlife.

Pheasant

TOWNSHIP / MUNICIPALITY LICENCES – A township licence is required in addition to a provincial licence for hunting pheasant in regulated townships (see maps, pp 6-11). Contact the municipal clerk for issuance of township licences and information on firearm restrictions. Hunting of pheasants with a rifle is prohibited.

CLOSED SEASON IN ALL WMUs

Falconry

Falconry involves the use of trained raptors (birds of prey; e.g. red tailed hawk) to hunt small game. The rules for falconry in Ontario are set out in the Fish and Wildlife Conservation Act, 1997, and associated regulations.

A falconry licence is required to hunt with most raptors, and you must also have a valid small game hunting licence. For more information please contact your local ministry office.

Small Mammals

Squirrel Seasons

Gray (Black), Fox

WMU(s)	Open Season	Daily Limit	Possession Limit
36 - 41, 45	Sept. 15 to Dec. 15	10	10

Furbearing Mammal Regulations

Furbearing Mammals

You may only hunt the furbearing mammals (see Definitions, page 78) listed in the table below under the authority of your small game licence. See special regulations for **Wolf and Coyote** on page 75. Note that a small game licence is not valid in northern Ontario and parts of central Ontario (as shown on Map 2, pages 8-9) from June 16 to August 31.

If you wish to hunt **raccoons at night**, you must carry your licence to hunt raccoon at night and your Outdoors Card with a small game licence. You must also be accompanied by a dog licensed for raccoon hunting. You can only use a .22 calibre rim-fire rifle chambered for the following cartridges: .22 short, .22 long or .22 long rifle. Raccoon night hunters must have their guns encased while in the vehicle. A licensed night raccoon hunter may use a light if it is not shone from or attached to a vehicle or boat.

Possession of Pelts During the Closed Season

Small game hunters who harvest furbearing mammals, including wolves and coyotes, during the open season and have not disposed of the pelts by the close of the season must obtain a Licence to Possess a Pelt in order to possess pelts during the closed season. This licence is available at no charge at Ministry of Natural Resources offices.

Royalty, Import, Export and Shipping

See General Regulations, page 28, for information on Import, Export and Shipping.

A royalty is payable to the province at the time that the hunter obtains a licence to send pelts to a tanner (for tanning or treating, including taxidermy), or a licence to export a furbearing mammal.

Selling and Spoilage

See General Regulations, page 27, Game Wildlife and Parts for information on Selling and Spoilage.

Furbearing Mammals which may be taken under the authority of a small game licence		
Open Seasons		
Species	Area	Open Season
Raccoon	All of Ontario*	Oct. 15 to Jan. 15 of the next year
Red Fox	All of Ontario north of French and Mattawa Rivers	Sept. 15 to the last day of Feb. of the next year
	Remainder of Ontario*	All Year
Arctic Fox**	All of Ontario*	Oct. 25 to Mar. 31 of the next year
Gray Fox	All of Ontario Under the Endangered Species Act, 2007 (ESA) effective June 30, 2008 Gray Fox may not be killed or possessed.	CLOSED Season
Skunk**	All of Ontario*	All Year
Weasel**	All of Ontario*	Oct. 25 to the last day of Feb. of the next year
Opossum**	All of Ontario*	Oct. 25 to Jan. 15 of the next year
Wolf and Coyote	See table pg. 76	See table pg. 76

* Generally, Furbearing Mammals may not be hunted in Provincial Parks and Crown Game Preserves (See Hunting in Parks on page 26).
** These species may not be taken by the holder of a non-resident small game licence.

A Message from Ontario's Conservation Officers

You must unload and encase firearms in your possession during the period from a half-hour after sunset to a half-hour before sunrise. The only exception is for licensed night raccoon hunters.

1-877-TIPS-MNR (847-7667)

Wolf and Coyote Regulations

INFORMATION FOR ALL WOLF AND COYOTE HUNTERS

Licence fees can be found on page 13.

You may only hunt wolves and coyotes under the authority of your small game licence. In WMUs 43-45 and 59-95, only your small game licence is required.

In WMUs 1A, 1C, 1D, 2-42, 46-50 and 53-58 the following regulations apply:

- The wolf/coyote hunting season is closed from April 1 to September 14.
- You may only hunt wolves and coyotes under the authority of your small game licence accompanied by a wolf/coyote game seal purchased from ServiceOntario. You can purchase a maximum of two wolf/coyote game seals per calendar year. The seals may be purchased separately or at the same time.
- Party hunting of these animals is not permitted.
- You are required to immediately attach your wolf/coyote game seal to the wolf/coyote you have killed.
- You must complete and mail a mandatory questionnaire on your wolf/coyote hunting activity and harvest by January 15 of the year following the hunt. You must submit the questionnaire even if you bought a seal but did not hunt. Mandatory questionnaires will be mailed to hunters by the ministry in December. Hunters should mail their completed questionnaire to: Ministry of Natural Resources, Big Game Harvest Assessment Program, 1350 High Falls Road, Bracebridge, ON P1L 1W9.

The above regulatory changes include coyotes within core wolf range (WMUs 1A, 1C, 1D, 2-42, 46-50 and 53-58) because coyotes are difficult to distinguish from wolves, especially eastern wolves, where their ranges overlap. The above regulations do not apply to wolves and coyotes in WMUs south of core wolf range (WMUs 43-45 and 59-95).

Generally wolves and coyotes cannot be hunted in Provincial Parks, including the Kawartha Highlands Signature Site Park.

Firearms

See page 71, Small Game Regulations, for specifications on firearms.

Sealing and Transporting

Party hunting for wolves and coyotes is not permitted in WMUs 1A, 1C, 1D, 2-42, 46-50 and 53 to 58. This means that you may hunt co-operatively with several hunters, however each hunter will have to be in possession of a wolf/coyote game seal to hunt wolves/coyotes in these WMUs, and the hunter that harvests the animal must personally seal it and may not continue to participate in the hunt unless in possession of an unfilled second wolf/coyote seal. It is illegal to transfer a wolf/coyote game seal from one hunter in order to seal a wolf or coyote taken by another hunter. **NOTE:** The specific rules around "party hunting" as summarized on page 23 apply only to moose, deer or black bears.

Once you have killed a wolf or coyote under a wolf/coyote game seal, you must **immediately** after the kill and at the kill site securely **attach your game seal** to the animal in the manner prescribed on the seal. The game seal must remain attached while the pelt (on or off the carcass) is being transported.

You must notch out the month, date and time of the kill on the wolf/coyote game seal, at the time of, and at the location of, the kill.

In WMUs 43-45 and 59-95 where a wolf/coyote seal is not required, you may hunt co-operatively in a group or party for wolves or coyotes without restrictions on the number of animals harvested or who can take them.

Possession of Pelts During the Closed Season

See page 74, Furbearing Mammals.

Royalty, Import, Export and Shipping

See General Regulations, page 28, for information on Import, Export and Shipping.

A royalty is payable to the province at the time that the hunter obtains a licence to send pelts to a tanner (for tanning or treating, including taxidermy), or a licence to export a furbearing mammal.

You need a Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) permit to export a wolf and several other species from Canada. CITES permits are currently available free of charge from MNR offices. In some countries the importation of wolves is restricted; requirements for importation should be determined by the exporter prior to shipment.

More information on CITES is available at www.cites.ca.

Wolf and Coyote

Species	Area/WMUs	Open Season
Wolf and Coyote*	1A, 1C, 1D, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 46, 47, 49, and 53B In 48, 50, 53A, 54, 55, 56, 57, and 58 except in the geographic townships listed below with no season.	From September 15, in any year, to March 31, in the next year following
Wolf and Coyote	In the geographic townships of Airy, Alice, Ballantyne, Boulter, Boyd, Bruton, Burns, Butt, Calvin, Cameron, Chisholm, Clancy, Clara, Clyde, Dickens, Dudley, Eyre, Finlayson, Franklin, Fraser, Hagarty, Harburn, Harcourt, Havelock, Head, Herschel, Lauder, Livingstone, Maria, McClintock, McClure, McCraney, McKay, Murchison, Papineau, Paxton, Petawawa, Richards, Rolph, Sabine, Sinclair, and Wylie	No season
Wolf and Coyote	43, 44, 45, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94 and 95	All year

* Wolf/coyote game seal required in order to hunt wolves and coyotes in these WMUs.

Game Amphibians and Reptiles

Frogs and Turtles

Snapping turtles and bullfrogs may be taken under the authority of a valid sport or conservation fishing licence. No commercial harvest of snapping turtles or bullfrogs is permitted. You may only take snapping turtles by box or funnel traps or by your bare hands. You may not remove the upper shell from any snapping turtle until immediately before it is prepared for consumption.

No firearm other than a bow (compound, recurve, long) or crossbow may be used to take bullfrogs. A person may take bullfrogs at night without a firearm and a person may shine a light for that purpose.

You may take bullfrogs from July 21 to October 15. You may not take more than 10 bullfrogs in one day nor possess more than 10. Bullfrogs may not be taken in the City of Ottawa (formerly the Regional Municipality of Ottawa-Carleton), the counties of Prescott and Russell, Stormont, Dundas and Glengarry, Leeds and Grenville, Lanark, Frontenac, Lennox

and Addington, Prince Edward, Northumberland, Peterborough and the City of Kawartha Lakes (formerly Victoria County) or in the townships in the County of Hastings south of and including the townships of Marmora and Lake, Tudor and Cashel, and Elzevir and Grimsthorpe.

See the Ontario Recreational Fishing Regulations Summary for additional information about the capture and use of frogs for bait.

NOTE: It is illegal to harvest bullfrogs or turtles in provincial parks or Crown Game Preserves.
